Jessie M. Roberson
Assistant Manager for
Environmental Restoration
DOE/RFFO

TRANSMITTAL OF THE OPERABLE UNIT (OU) 15, INSIDE BUILDING CLOSURES, MINUTES FROM THE APRIL 3, 1995 MEETING BETWEEN DEPARTMENT OF ENERGY/ROCKY FLATS FIELD OFFICE (DOE/RFFO), THE ENVIRONMENTAL PROTECTION AGENCY (EPA), COLORADO DEPARTMENT OF PUBLIC HEALTH AND ENVIRONMENT (CDPHE), AND EG&G ROCKY FLATS, INC. TO DOE/RFFO - SGS-122-95

Action: Submit the April 3, 1995 Meeting Minutes by DOE/RFFO to CDPHE and EPA

The purpose of this letter is to transmit the minutes of the April 3, 1995 meeting between DOE/RFFO, EPA, CDPHE, and EG&G.

The meeting was conducted to discuss the Draft Proposed Plan/Draft Resource Conservation and Recovery Act (RCRA) Permit Modification submitted to DOE/RFFO on March 21, 1995. The approach as agreed to by DOE/RFFO, CDPHE, and EPA during meeting discussions changes the approach from No Action to the following:

- The Proposed Plan/Draft RCRA Permit Modification will not be titled with a specific remedy selection.
- All six Individual Hazardous Substance Sites (IHSSs) in Operable Unit 15 will be clean closed under RCRA.
- The No Action Remedy selection will be used to close IHSS 178, 211, and 217, with regard to the Comprehensive Environmental Response, Compensation and Liability Act (CERCLA).
- IHSSs 179, 180, and 204 will be deferred, with regard to CERCLA, until ultimate disposition of the buildings in which they reside. Upon approval of the Corrective Action Decision/Record of Decision, IHSSs 178, 180, and 204 will be removed from the Site Interim status list. In summary, on approval of the Corrective Action Decision/Record of Decision, these areas will no longer be considered IHSSs and OU 15 will be closed as an OU at Rocky Flats Environmental Technology Site.
